Tahincioğlu Real Estate Chairman Özcan Tahincioğlu: “We will continue our investments in commercial projects”

Tahincioğlu Real Estate Chairman Özcan Tahincioğlu said, “We are very happy to have won this tender in one of the districts in İstanbul most open to development in terms of business, a region, which will be the house of financial center in 2015. As “Tahincioğlu Real Estate”, we have a significant experience and portfolio in commercial real estate, with our Palladium Tower office project estimated to be completed in 2014, in Ataşehir, one of the favorite regions of İstanbul, and Palladium Mall and Residence, at its 5th year. We are also the strongest office investor and developer of Anatolian side, with Nidakule Kozyatağı and Nidakule Göztepe projects. On the other hand, as a company who has been developing projects in Ataşehir region for several years, we keep growing with this tender”.

‘Revenue sharing in return of land sale’ model will be applied for the land in İstanbul Ataşehir, which consists of 3 plots and the land covers 41.660 m2 in total.
